

North Bay Stand Down

One-Day Resource Fair

Wednesday, October 12, 2022

The North Bay Stand Down is an event designed to assist homeless and at-risk veterans to obtain Department of Veterans Affairs, State of California and/or County services. We set up a one-day event and the Veterans come in via buses or personal transportation. We have VA, State and County staff as well as community organizations on hand to help with the many issues that our Veterans face. Health, dental, mental health, substance abuse, court services, child support, probation, food stamps, employment services, clothing distribution and many other services are offered.
